GENERAL REMARKS AND STIPULATIONS

Location

The land is situated to the west of Townside in the village of East Halton. The town of Immingham lies approximately five miles to the south and the town of Barton upon Humber lies approximately nine miles to the north west.

Description

The land comprises a single irregularly-shaped grass field extending to 4.30 acres (1.74 hectares) or thereabouts, which is part fenced and part bounded by mature trees and hedges. The land benefits from its own independent access from the public highway.

Development Potential

The land benefits from road frontage which sits between existing residential developments within the village of East Halton and may offer future development potential. The Vendors have decided to sell the land un-encumbered and therefore the full benefit of any future development will pass to the Purchaser(s) of the land.

Planning

Interested parties are advised to make their own enquiries regarding the current status to North Lincolnshire Council.

Tenure & Possession

The land is offered for sale freehold with the benefit of vacant possession on completion.

Value Added Tax

The sale price(s) is agreed on a VAT exclusive basis and the Purchaser(s) shall indemnify the Vendors for any VAT which may subsequently be payable.

Wayleaves, Easements and Rights of Way

There is an easement held in favour of Cadent Gas Limited for a high pressure pipeline that crosses in a north to south direction on the western side of the field.

The land is sold subject to any other rights of way, reservation of minerals, water drainage, sporting rights, easements and wayleaves and all rights of way whether mentioned in these sale particulars or not.

Viewing

The land may be viewed at any reasonable time during daylight hours in possession of a set of these particulars.

Method of sale

The land is offered for sale by Private Treaty. Interested parties are invited to speak to Tori Heaton of the Selling Agents on 07970 126304 or (01652) 653669 to discuss their interest.
