General Remarks and Stipulations

Location

The land is situated to the east of the village of Ealand and to the west of the former railway. The town of Scunthorpe lies approximately nine miles to the east and the town of Thorne lies approximately eight miles to the west.

Description

The land comprises a single arable field with access from Outgate, down the track along the western side of the former railway.

The land is classified as Grade 3, on Sheet 104 of the Provisional Agricultural Land Classification Maps as historically published by the Ministry of Agriculture, Fisheries and Food.

The soils are identified by the Soil Survey of England and Wales as being from the "Blackwood" association with their characteristics described as "deep permeable sandy and coarse loamy soils" and as suitable for "cereals; potatoes and sugar beet; some grassland".

Basic Payment Scheme

The land has been registered by the current Tenant on the Rural Payments Agency Rural Land register and has been used to activate Basic Payment Scheme entitlements by them as the Tenant. The 2020 and 2021 claims are reserved in their entirety to them.

There are no BPS entitlements included in the sale of this land, albeit they may be available by separate negotiation from the current Tenant.

A copy of the relevant field data section of their 2021 BP5 application form and relevant LPIS map are available for inspection at the Selling Agents office by prior appointment or can be emailed out on request. Purchaser(s) should satisfy themselves as to the accuracy of the same. Any statement within these particulars is given in good faith but carries no warranty.

Tenure and Possession

The land is owned freehold, subject to an existing fixed term Farm Business Tenancy agreement for which Notice has been served for it to end post harvest 2022, whereupon vacant possession will be given. Further details are available on request from the Selling Agents.

Assessable Area 8.50 acres

Value Added Tax (VAT)

The sale price is agreed on a VAT exclusive basis and the Purchaser(s) shall indemnify the Vendor for any VAT which may subsequently be payable.

Nitrate Vulnerable Zone

All of the land lies within a designated Nitrate Vulnerable Zone.

Easements, Wayleaves and Rights of Way

Access to the field is via a right of way along the track along the western side of the former railway, as shown coloured brown on the plan.

The property is sold subject to any other rights of way, reservation of minerals, water, drainage, sporting rights, other easements and wayleaves and all rights of access whether mentioned in these particulars or not.

Viewing

The land may be viewed at any reasonable time during daylight hours being in possession of a set of these particulars.

Method of Sale

The land is offered for sale by Informal Tender. The Vendor does not undertake to accept the highest, or indeed any offer, but best and final offers should be submitted in accordance with the following:-

1. Expressed as a lump sum total (not per acre).
2. Confirm full name and address and contact telephone number of Purchaser(s).
3. Confirm full name and address and contact telephone number of solicitor.
4. Confirm whether the offer is on the basis of cash, conditional upon finance or the sale of other property.
5. Submitted in a sealed envelope marked "**Land at Ealand**".
6. The sealed envelope should be marked on the outside with the name(s), address(es) and date(s) of birth of the prospective Purchaser(s). This is to comply with recent changes to Anti-Money Laundering legislation.
7. Submitted not later than **12 noon on Friday 09 July 2021**".

To avoid the duplication of offers it is suggested that any tender submitted should be for an uneven amount of money. Furthermore, escalating bids or offers made by reference to other bids are not acceptable.
