General Remarks and Stipulations

Location

The land is situated to the south of Chase Hill Road on the outskirts of the village of East Halton. The town of Barton upon Humber lies approximately ten miles to the north west and the town of Grimsby lies approximately thirteen miles to the south east.

Description

The land comprises a single good shaped permanent grassland field with road frontage onto Chase Hill Road. The land extends to approximately 5.92 acres (2.40 hectares). The land is classified as being Grade 3, on Sheet 104 of the Provisional Agricultural Land Classification Maps of England and Wales as historically published by the Ministry of Agriculture, Fisheries and Food.

The soils are identified by the Soil Survey of England and Wales as being from the "Holderness" association with their characteristics described as "clayey alluvial soils" and as suitable for cereals and/or grassland which is typical of the area.

Basic Payment Scheme

The land is registered on the Rural Payments Agency Land Register and has been used to activate Basic Payment Scheme entitlements. The Occupier has made, and will retain, the Basic Payment Scheme claim for the 2021 season.

The BPS entitlements are available for sale by separate negotiation from the current occupier (2.20 no. of entitlements).

Tenure and Possession

The land is owned freehold and it is being sold with the benefit of vacant possession on completion and clearance of the current crop.

Tenantright

There will be no tenantright payable, likewise there will be no consideration or allowance made whatsoever for any dilapidations or any other deductions of any kind.

Early Entry

Early entry to the land will be permitted for the prospective Purchaser(s) prior to completion, subject to clearance of the current crop.

Value Added Tax (VAT)

The sale price is agreed on a VAT exclusive basis and the Purchaser(s) shall indemnify the Vendor for any VAT which may subsequently be payable.

Nitrate Vulnerable Zone

All of the land lies within a designated Nitrate Vulnerable Zone.

Easements, Wayleaves and Rights of Way

There is a right of way marked brown on the site plan, which identifies the right of access to the field, over land owned by a third party. There is also an easement held in favour of Uniper for a gas pipeline.

The property is sold subject to all other rights of way, reservation of minerals, water, drainage, sporting rights, easements and wayleaves and all rights of access whether mentioned in these particulars or not.

Viewing

The land may be viewed at any reasonable time during daylight hours in possession of a set of these particulars.

Method of Sale

The land is offered for sale as a **whole** by **Informal Tender**. The Vendor does not undertake to accept the highest, or indeed any offer but best and final offers should be submitted in accordance with the following:-

1. Expressed as a lump sum total (not per acre).
2. Confirm full name and address and contact telephone number of Purchaser(s).
3. Confirm full name and address and contact telephone number of Solicitor.
4. Confirm whether the offer is on the basis of cash, or conditional upon unconfirmed finance or sale of other property.
5. Submitted in a sealed envelope marked "**Land at East Halton**".
6. Submitted not later than **12 noon on Friday 10 September 2021**.

To avoid the duplication of offers it is suggested that any tender submitted should be for an uneven amount of money. Furthermore escalating bids or offers made by reference to other bids are not acceptable.
